

2009 is coming to a close and it has been a wonderful year for KFCI. The celebration of Christmas reminds us of all the children who have been introduced to Christ during the year and of those who gave their lives to Him. We thank God for the spreading of this ministry and we look forward to what He has in store for us in the New Year.

We are encouraged and motivated to keep trudging on because the Lord commands it and we know He will be there with us. Your prayers and support are His way of fulfilling His will. We thank Him for you and our partnership in His Kingdom.

Kids for Christ, International will celebrate 16 years of service in January. We thank God for giving Charles Fordyce the vision to start this ministry and our openness to see it. God has placed this ministry in six countries and now has over 32 locations. The future is all in the Lord's hands and we trust His guidance.

God has blessed this ministry with many who have sacrificed to accomplish its goal. Their commitment to this cause has overwhelmed us and we remain steadfast and solid for our Lord. We ask that you keep our leaders in your prayers as they plan and execute this ministry. We also ask that you continue to support KFCI with your finances.

On behalf of the KFCI worldwide staff, we wish each of you a Merry Christmas and a God-filled New Year. With all the problems that our country and our world is facing, let us remember the one who is in charge.

*"Keep your lives free from the love of money and be content with what you have, because God has said, "Never will I leave you; never will I forsake you."*

Hebrews 13:5

May God Bless,
